OPERATING MILLAGE PROPOSAL**

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance and restores millage lost as a result of the reduction required by the Michigan Constitution of 1963.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Tecumseh Public Schools, Lenawee County, Michigan, be renewed by 17.8309 mills (\$17.8309 on each \$1,000 of taxable valuation) for a period of 5 years, 2020 to 2024, inclusive, and also be increased by .5 mill (\$0.50 on each \$1,000 of taxable valuation) for a period of 5 years, 2020 to 2024, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2020 is approximately \$2,609,000 (this millage is to renew millage that will expire with the 2019 levy and to restore millage lost as a result of the reduction required by the “Headlee” amendment to the Michigan Constitution of 1963 and will be levied only to the extent necessary to restore that reduction)?

BRITTON DEERFIELD SCHOOLS (Blissfield Township – Precinct 1)

**BRITTON DEERFIELD SCHOOLS
OPERATING MILLAGE RENEWAL PROPOSAL**

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance. The remaining .5 mill is only available to be levied to restore millage lost as a result of the reduction required by the “Headlee” amendment to the Michigan Constitution of 1963 and will only be levied to the extent necessary to restore that reduction.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Britton Deerfield Schools, Lenawee and Monroe Counties, Michigan, be renewed by 18.5 mills (\$18.50 on each \$1,000 of taxable valuation) for a period of 4 years, 2019 to 2022, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2019 is approximately \$520,448 (this is a renewal of millage that will expire with the 2018 tax levy)?

VILLAGE PROPOSAL

PARTIAL RECOVERY OF OPERATING MILLAGE

Shall the Village of Deerfield's original millage, as authorized by statute, MCL 69.1, of 12.5 mills (\$12.50 per \$1,000 of taxable value), reduced to 9.4817 mills (\$9.47 per \$1,000 of taxable value) by

the required millage rollbacks, be increased to 11 mills (\$11 per \$1,000 of taxable value) to recover a portion millage reduction and be levied by Village? This increase of 1.5183 mills (\$1.5183 per \$1,000 of taxable value) will raise an estimated \$27,751 in the first year the millage is levied.

OPERATING MILLAGE PROPOSAL**

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance and restores millage lost as a result of the reduction required by the Michigan Constitution of 1963.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Tecumseh Public Schools, Lenawee County, Michigan, be renewed by 17.8309 mills (\$17.8309 on each \$1,000 of taxable valuation) for a period of 5 years, 2020 to 2024, inclusive, and also be increased by .5 mill (\$0.50 on each \$1,000 of taxable valuation) for a period of 5 years, 2020 to 2024, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2020 is approximately \$2,609,000 (this millage is to renew millage that will expire with the 2019 levy and to restore millage lost as a result of the reduction required by the “Headlee” amendment to the Michigan Constitution of 1963 and will be levied only to the extent necessary to restore that reduction)?

BRITTON DEERFIELD SCHOOLS (Charter Township of Raisin – Precinct 1)

**BRITTON DEERFIELD SCHOOLS
OPERATING MILLAGE RENEWAL PROPOSAL**

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance. The remaining .5 mill is only available to be levied to restore millage lost as a result of the reduction required by the “Headlee” amendment to the Michigan Constitution of 1963 and will only be levied to the extent necessary to restore that reduction.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Britton Deerfield Schools, Lenawee and Monroe Counties, Michigan, be renewed by 18.5 mills (\$18.50 on each \$1,000 of taxable valuation) for a period of 4 years, 2019 to 2022, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2019 is approximately \$520,448 (this is a renewal of millage that will expire with the 2018 tax levy)?

BRITTON DEERFIELD SCHOOLS (Ridgeway Township – Precinct 1)

**BRITTON DEERFIELD SCHOOLS
OPERATING MILLAGE RENEWAL PROPOSAL**

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance. The remaining .5 mill is only available to be levied to restore millage lost as a result of the reduction required by the “Headlee” amendment to the Michigan Constitution of 1963 and will only be levied to the extent necessary to restore that reduction.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Britton Deerfield Schools, Lenawee and Monroe Counties, Michigan, be renewed by 18.5 mills (\$18.50 on each \$1,000 of taxable valuation) for a period of 4 years, 2019 to 2022, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2019 is approximately \$520,448 (this is a renewal of millage that will expire with the 2018 tax levy)?
